## "BLAST OFF TO THE FUTURE"

"Blast off to the future" is the theme of our year-book. The MIRAGE consists of class pictures, pages of activities, sport pictures, and odd shots. The faculty and administration will be piloting our adventure through space. As we will take off for "destination unknown", we will find the graduates of '57 heading the crew in flying saucers. Their underclassmen will be trailing along in rocket ships. The Seniors will remain in "outer space", while the others must get back "to earth".

## BOARD of EDUCATION

Our high school has been well governed, thanks to the combined efforts of the Joint Board of Education. These members, meeting the first Monday of each month, devote much of their time to the betterment of our school for which we are very grateful.

Our high school offers many opportunities which meet the needs of almost every pupil. For those who plan to further their education by going to college or prepare themselves for technical occupations, the Academic Course is offered. Students who plan to work in any phase of business or to advance themselves commercially take the Commercial Course. Those who take a combination of both courses are said to be in the General Course. The Home-Economics Course is offered to prospective teachers of home-economics, dieticians, or future house wives.

The Adams-Summerhall High School believes that every student should endeavor to make the best of the opportunities offered him and to study his subjects seriously. As an acknowledgement to those students who do good work, an honor roll has been established. In order to be a member of this honor rating a student must have an average grade of 4.1, to be rated as a high honor student, the pupil must have achieved an average of 4.7. The honor roll is devised every nine weeks, and is published in our school newspaper.

# ACTIVITIES

A whimsical line drawing of a globe with various school-related items orbiting it. A figure stands on the globe, and a comet streaks across the sky. Labels include "MIDWINTER", "STUDENT COUNCIL", "ASSEMBLY", and "PAPER". Stars and musical notes are also scattered throughout the scene.

The juniors must rank in the upper fifth of their class, while the senior must be in the upper third. Our MIRAGE staff consists of students from grades nine through twelve. This year we have worked very hard to produce the yearbook. There was not time to do all the work in school and Miss Panchusin and several of our members stayed many nights after school to meet the deadlines set by Inter-Collegiate Press. Our MIRAGE is self-supporting and we had projects such as selling hot-dogs and sponsoring skating parties and dances to raise money.

The ADAMSONIAN is our school newspaper printed four times a year. It contains general news, editorials, features, and sports news. We are very proud of our paper because the students enjoy reading it, and because it has received many honor ratings given by the various high school press associations. The ADAMSONIAN is published by Mr. Krajnak and the Journalism Class. It is self-supporting and this year the class are also experimenting with a two-page mimeographed paper every two weeks.

## SENIOR FAREWELL

The time has come for the Class of 1957 to bid our farewell. The memories of our high school days will always remain with us. As we face the future we shall use the knowledge and experience which we have gained in school. We realize that any success which we may attain will be due to our faculty and administration who have guided us these last four years.

As we pass through the doors of Adams-Summerhill High School for the last time in May, we sincerely hope that our future will be bright, and that the remaining school years of the underclassmen will be as happy as ours.

## MIRAGE ACKNOWLEDGEMENT

We wish to express our gratitude and appreciation to the administration and our adviser Miss Dolores Panchis for their co-operation and aid in making this year a success.

We are also grateful for the splendid photography by the Joseph E. Carter studios, the excellent publications of the Inter-Collegiate Press and generous contributions of our many friends, advertisers and subscribers.
